

pizza verace napoletana: the meaning is simple – true neapolitan pizza.

pizza was considered poor man's food until 1889 when raffaele esposito was summoned by the royal house of naples to make a pizza for the queen margherita. esposito conjured up a pizza that resembled the green white and red of the italian flag using basil, mozzarella and tomato. He called this pizza margherita, now the most famous pizza in the world.

following in the tradition of three of the most famous pizzerias in the world, brandi, da michele and trianon, and the fact that I was born and raised in naples, at tartufo I have realised my life- long passion - to create authentic pizza.

the ingredients are of the best quality and recently tartufo has proudly received the official accreditation of *avpn*, a world association from naples guaranteeing pizza authenticity.

our pizza is cooked between 30 to 60 seconds and it is to be eaten immediately. whilst many people don't eat the cordone (outer crust), we recommend you do.

buon appetito, tony percucoco
